

# *Crawford County Land Conservation Summer Tour July 7, 2009*

Ahoy Tour Canoeists!

You've told me you're coming on our tour July 7! Yay. Here are a few bits of info that will make your time on the water safe and enjoyable.

The tour begins with a picnic lunch at the landing. We'll get on the water around 1:00 and enjoy a relaxing float downstream. Half-way down we'll get out on a sand-bar for refreshments and hear Mark Cupp and Dave Marshall speak about the Lower Wisconsin's history, current land/water use, and unique ox-bow lakes. No canoeing experience necessary! Experienced canoers will be in the bow and stern.

- ? Everyone will wear a lifejacket. If you have a favorite, bring it otherwise one will be provided for you.
- ? Wear appropriate clothing. A hat, sun block, long sleeves, tennis shoes, bicycle gloves, sunglasses, etc. can make your trek better.
- ? We will have safety equipment on board.
- ? We will have water and other beverages in a cooler for all at our mid-trip stop.
- ? We'll meet at the Bridgeport landing and transport folks to the Millville landing after the LCC meeting (approx 11:30a.m.)

Contact me w/ your q's.
