Met at the fairgrounds to discuss the ground work that Brockway's will be doing for the Horse Barn Project. After a long discussion, the horse barn will be moved 15 foot towards the road to decrease the slope in the back of the horse barn and to decrease the amount of fill needed. The area will need to be raised to insure no water will get into the barn.

Kim S. discussed having a carriage rides at the fair to raise money for the horse project. She would have a safety plan and certificate of liability. Motion by Olson to approve Kim S. to have carriage rides at the fair, second by Jerrett.

Amanda S. asked the board to get a load of gravel from Brockway's for fill and to have the Highway Department come and fix the black top roads. Motion by Olson to approve the purchase of gravel and to have the highway department to fix the black top roads, second by Stirling,
