July 11, 2017

The meeting was called to order by Chairman Esser at 9:00 a.m. Esser verified the posting of the agenda. Members present for roll call were Henry Esser, David Olson, Don Dudenbostel and Wade Dull. Harriet Behar was excused.

A motion was made by Olson to approve the minutes as mailed. Dudenbostel seconded. Motion carried.

GIGI COLLINS, Property Lister

The department is working on mapping. The new system is working well but has some issues especially with splits. The department has training this afternoon and tomorrow on GIS. The CSM for Amos Borntreger, Town of Clayton had been tabled at the last two meetings as a lot had no access; it was made into an out lot.

Motion by Dull to approve the Amos Borntreger, Town of Clayton, CSM contingent upon reviewing agencies, second by Olson. Motion carried unanimously.

Motion by Olson to pay bills as presented, second by Dudenbostel. Motion carried unanimously by roll call vote.

Jake Shedivy, Land Conservation/Zoning Department

Shedivy indicated Cali Collins has been hired to help input past septic system permits into the new system to establish an inventory for the maintenance program system in Transcendent and scan into the system; she will begin on Monday, July 17. Shedivy was approved for POWTS so can approve the permits as long as a certified soil tester does the soil testing; he indicated he will be testing for the soils test this month. Shedivy attended a workshop put on by the Zoning Board of Adjustment and Appeals held in LaCrosse in the past month.

Motion by Olson to approve bills as presented, second by Dull. Motion carried unanimously by roll call vote.

Rich is working on mapping. No field work being done until the water goes down and hopefully that can be started next week.

Motion by Dull, second by Olson to pay Valley Land Survey, LLC, bills as presented. Motion carried unanimously by roll call vote.
