Kickapoo River Clean Up, Dale Klemme

Klemme indicated October 31, 2017 is the end date for the grant completion. It has been impossible to get across the fields and to the river banks due to the flooding and wet conditions. The contractor will do whatever they can between now and October 31 to complete the project and use the funding that is available. At the next meeting we will need to extend the contract with Earth Movers to October 31.

GIGI COLLINS, Property Lister

The Property Lister is still having issues with the new software in doing splits. Collins presented a school district map of Crawford County that she had developed.

The Property Lister budget is basically the same except for the addition of \$8,000 for maintenance of for Transcendent software.

RICH MARKS/DAN MARKS- Surveyor

Dan Marks distributed a letter from Rich indicating due to a family emergency Dan and himself plan on continuing field and office work but they may have to temporarily cut back. At this time, he is not asking for an extension of the contract but wanted the committee to be aware of the situation.

Motion by Olson, second by Dudenbostel to pay Valley Land Survey, LLC, bills as presented. Motion carried unanimously by roll call vote.

Discussion on Chapter 18-Subdivision & Platting Ordinance was tabled until later in the year. Dennis Pelock suggested we take our time in amending the chapter and work on it and then revisit it in

December or January for approval. They are working on charging a permit fee for driveways and setbacks as they are very time consuming; along with boat landing fees.

Next meeting date: Tuesday, September 12, 2017.

Dull made the motion to adjourn at 9:45 a.m., second by Olson. Motion carried unanimously.

Respectively submitted,

Carol Wolcott
