FOR IMMEDIATE RELEASE

April 1, 2020

CRAWFORD COUNTY ADVISORY TO SEASONAL AND SECONDARY HOMEOWNERS

Pursuant to Wis. Stat. §252.03(1), Crawford County Health Officer Cindy Riniker and County Board Chairperson Tom Cornford hereby issue the following advisory. Due to the COVID-19 pandemic and the national spread of the COVID-19 virus, Crawford County Government must issue the following inter-county and inter-state Travel Advisory in accordance with Wisconsin Emergency Order #12 – Safer at Home Order.

1. Due to high community transmission in certain areas of the State and across state borders, Crawford County is recommending that you stay in your primary home area if you have a seasonal or secondary home in Crawford County. Due to our very limited healthcare infrastructure, please do not visit us now.
2. People who have seasonal homes and property in Crawford County, please stay at your winter homes at this time if possible. If you are already back in Crawford County, you must immediately self-isolate for 14-days.
3. Crawford County has a high population of older adult residents. This population is at the highest risk of COVID-19; it is our priority to keep our older residents healthy and safe.
4. The Crawford County Board adopted a countywide COVID-19 Emergency Declaration on March 18, 2020.
5. This is an ever changing and very serious health situation, and Crawford County needs to be diligent in its response.

For the most up-to-date information regarding COVID-19 follow Crawford County Public Health website:
