If you are interested in leading a group in your community, please reach out to Sonya at slenzendorf@crowfordcountywi.org

- ◇ Walking Clubs will meet a minimum of once a week at the same place and time. Right now, we plan for groups to meet starting the week of July 5th through August but hope to continue through the Fall if clubs want to. Participants can join at anytime.
- ◇ All clubs have a designated leader(s). They will provide ongoing communication to club walk changes due to weather.
- ◇ Participants of all abilities are encouraged to join. The group starts together but participants can end when they wish. You can walk as little or much as you want!
- ◇ All participants will receive a welcome packet with tips and guidance about starting a walking program.
